

# KNOW THE FALSE PROPHETS!

From the beginning of the fall of mankind in the Garden of Eden, God had already forewarned all believers that there will forever be enmity between the followers of Christ and the followers of the Serpent. This has not changed. In fact it has intensified exponentially. When God sent His prophets to steer His people Israel back to the path of righteousness, the Devil sent his false prophets to confuse and stop them. These false prophets outnumber the prophets of God many times over. "Majority wins" seems to be the name of the devil's game. They infiltrated into the heart of Israel at the very top of the leadership. They stood next to kings and spewed out their lies and deceptions, cloaked in the garb of "wise counsel" against the often lone voices of the true prophets of God. Their target is often to destroy the holy witness of God's people and leading them into sin. The amazing thing is that their cunning devices were so successful that the deceived were not even aware that they had been deceived. They sincerely received these false prophets as men of God. In reality the false prophets were wolves in sheep's clothing! God's true prophets were severely persecuted and many died for their faith.

This has not changed. Instead of infiltrating the nation, today these false prophets have appeared from within churches. They have the appearance of holiness and utter "thus saith the LORD" to increase the potency of their deception. We need to identify today's false prophets by understanding the marks, behaviour and methods of the false prophets in the Bible and recognize them for who and what they are. To be forewarned is to be forearmed! May God help us in these last days. Amen.
