

# DEATH!

Death is man's last enemy. It is a most fearful enemy. It is a cold-hearted enemy. It tears asunder loved ones by its powerful cold fingers without mercy. When it is time, death breaks down every door and barges in and takes any life it desires. Youthful zeal and strength are easily blown aside by the wintery breath of death, for it is no respecter of age or status. Kings and presidents die just like a beggar. Old men and babies also meet the same fate when death knocks on the heart's door. This frightful hopeless end awaits all who are born into this sin-sick world. All die because all sin.

Yet, amidst this dark and hopeless sea of humanity, the divine light of Christ shines through the thick veil of death. Christ by His one offering of His perfect and holy body as the Lamb of God is able to take away the sins of the world. Death is vanquished forever in Christ. Death is no longer the fearful enemy. Its sting has been removed by the omnipotent hand of God. There is a way to escape death. Come and be blessed by God's truth and find the divine solution from God who can take death away from your life.
