

RESURRECTION!

If there is a most desirable word that the sinful world longs to hear, it has to be the word “resurrection”! Resurrection is not reincarnation. Reincarnation is a belief that a human being will come back after death to live another life and in another body which may include the bodies of birds, beasts and creeping things. Resurrection is to return to earth in another human body but also a heavenly body. This is the glorious hope of every child of God because of the finished work of Jesus Christ at Calvary when He died for us on the cross and rose from the dead for our justification.

However, this blessed divine hope is lost in the midst of heavy burdens and thick forests of earthly attractions. The cares of this world has created a financial mountain to climb for almost all who begin their lives in the 21st century. This load has weighed down the shoulders of many believers and they struggle to look up. Their gazes are glued downward to the earthly ground, hoping to find nuggets of gold to lift them out of their earthly burdens. This sad tale is the tale of many modern day believers, to the stumbling of sinners who see little difference between their lives and the lives of God’s children.

The doctrine of the resurrection has the power to change all that. Our eyes need to look up so that the unyielding burdens on our frail shoulders will be lifted under the might and power of the resurrection of Christ. This new series hopes to make this a reality in the lives of God’s children who are struggling. Amen.
